Timberline HD or Timberline HD with ArmorShield

North America's #1-selling shingle gives you value and performance in a genuine wood-shake look. StainGuard Protection with a **10 year guarantee of no staining**. All shingles below come with StainGuard.

Timberline ArmorShield II SBS Modified IR Shingles combine all the beauty of Timberline Shingles with UL 2218 Class 4 impact resistance.

American Harvest

The architecturally stylish, yet practically priced, high-performance asphaltic roofing shingle.

Timberline UHD

Your best choice for an ultra-dimensional wood-shake look. StainGuard Plus Time-Release Technology with **25 year guarantee of no staining.**

Slateline

Bold shadow lines and tapered cut-outs create the look of slate at a fraction of the cost.

Camelot II

Camelot II Shingles complete a home with their classic, artisan-crafted look — at a surprisingly affordable price.

Grand Sequoia

Artisan-crafted shapes combined with oversized tabs result in a sophisticated beauty unmatched by typical shingles.

Woodland

The stylish look of hand-cut European shingles with 21st century style at an incredibly affordable price.

Cool Series

Highly reflective shingles that can help to reduce temperatures in your attic, and help save on air-conditioning costs.

Glenwood

The thickest, most authentic wood shake-look shingles you can buy.
